Connaught Global Challenge Award – Application

Application Deadline: June 1, 2018

APPLICATION

There is no application form for this Award. Please review the program Guidelines before preparing your submission.

Application materials are to be submitted electronically, via MRA (My Research Applications) in PDF format as **one** file using the naming convention: LastFirst_GlobalChallengeApplication_2018.   The PDF file must contain the following documents in this order:

1. An executive summary (in non-specialist language) describing your proposed Global Challenge project and the anticipated significance/impact on the relevant area of research (approximately half page in length).
2. A project description (up to five pages) of the team's research plan and objectives that addresses the program criteria.
3. Identify key project milestones and dates in tabular format.
4. A brief description of each member of the core team (200 words for each of the principal investigator and co-investigators), highlighting what each team member brings to the project.
5. A description (up to one page) of key collaborators from outside the UofT and their proposed contributions to the project. Supporting letters are permitted but not required.
6. A tabular (two year) budget and detailed budget justification (2 pages). Include any matching funds or in-kind support if applicable. Please refer to program guidelines for eligible expenses.

SUBMISSION INSTRUCTIONS:

Please ensure that your application is presented according to the following specifications:

- Single-spaced
- Body text in a minimum 12 pt font
- All margins set at a minimum of 1inch margins

Applicants are encouraged to login to MRA well in advance of the submission deadline to ensure login credentials are correct. Once the MRA has been submitted, it is recommended that you notify both your Chair/Director and Vice-Dean/Principal Research that your application is pending their approval and needs action before the competition deadline.
