

Attestation of Specialty Training

PLEASE PRINT CLEARLY

SUBMIT COMPLETED AND SIGNED FORMS BY EMAIL TO THE RESEARCH OVERSIGHT AND COMPLIANCE OFFICE (ROCO): ACC.COORDINATOR@UTORONTO.CA

Note that this form may be completed for multiple individuals at once, provided they have received the same training. Add additional trainee information as needed using the table on page 2

Trainee Name: _____
Status: _____
Email: _____
Work Phone: _____
Department: _____
Supervisor/PI: _____

This documents that this/these individual(s) has/have been trained and deemed competent in addition to, or in lieu of, institutionally-delivered training.

Species: _____
Trainer's name and status: _____
Date: _____
Location: _____

Training included the following topics (as applicable):

- Review of the relevant Animal Use Protocol(s) (AUPs)
- General biology and behaviour of the species
- Husbandry/environmental standards and parameters; including feed, bedding and water requirements
- Relevant Standard Operating Procedures (SOPs) – listed in AUP(s)
- Hazards, e.g. biohazards, chemical safety concerns

Please specify:

- Biosecurity (including quarantine procedures, where relevant)
- Basic handling, capture, and restraint
- Common health concerns
- Anesthesia/Analgesia
- Signs of pain and distress; humane endpoints
- Acceptable methods of euthanasia (as approved in the AUP) and appropriate disposal of carcasses
- Invasive procedures (e.g. blood collection, injections)

Please specify:

- Reporting of health concerns to veterinary staff/coordination of treatment and care (as relevant)
- Documentation procedures (e.g. procurement, health records, procedural records)
- Other (please describe below and/or attach documents)

To assist the Animal Care Committee in better understanding the training provided, please use the space below to elaborate on training provided (e.g. relevant hazards, common health concerns, methods of euthanasia, invasive procedures) and any other items discussed during training.

Please provide a summary of the trainer's experience with the species:

Signature of Trainer: _____

Signature of Trainee: _____
